

## Cable reels - extension cables

1. If you think a cable may be cut or damaged in any way, switch off and unplug at the mains before inspecting it. If the cable attached to the machine is damaged, stop using the machine. Contact the hire company. If an extension cable has been damaged, do not use it again.
2. Take care not to accidentally pull the plug from the socket.
3. Switch off and unplug before leaving the machine unattended.
4. If your equipment does not work properly, do not attempt to repair it. Contact the hire company.
